

Superb portions. Time after time.

Our PortionLinemeat system automatically portions boneless pork loin or beef in a shingled format. It delivers high output combined with high yields and it's easy to operate with minimal labour. Low maintenance is designed into the system and, when you need it, our tailored service is there to make sure you produce superb portions and packs on time, all the time.

Don't waste time! Call Martin Baldwin on +44 1603 700755.
